

# “Pedal to the Metal” Recycling Drive

## Charity Fundraiser

Developed and Organized by Maddy Walker since 2010

I’m a high school senior at Cary Academy, a Girl Scout Ambassador and the 2019 Miss Teen World America. I collect scrap metal to raise funds for charitable organizations like Children’s Miracle Network (CMN), Healthier Generation Organization, Feeding America, Ronald McDonald House (RMH), Leukemia and Lymphoma Society (LLS), the Breast Cancer Research Foundation and my Beauty With a Purpose Project, ACTIVE – Live Healthy, Be Happy - raising awareness for mental and physical health.

I recycle all items collected so that everyone can benefit from living in a cleaner and more beautiful place as well as using the proceeds to fund community service events and charities.

I organized an account named “**Maddy Walker’s Charity**” with **TT&E Iron and Metal** located at **1529 W Garner Road, Garner, NC 27529**. All collections are added into Maddy’s account and a check is written for Charity. Here’s are list of the types of items that can be donated/recycled:

<http://www.ncscrapmetal.com/text/Metal-Guidelines.pdf>

[http://www.ncscrapmetal.com/text/Electronic\\_Items.pdf](http://www.ncscrapmetal.com/text/Electronic_Items.pdf)

<http://www.ncscrapmetal.com/text/Recycling-Guidelines.pdf>

All you need to do is drop off your scrap metal to this location, indicate the proceeds needs to go into the account, “**Maddy Walker’s Charity**” and they will add all proceeds to this account. OR I can arrange to meet and/or pick up items if you are not able to drop off at this site.

Please help me raise money for Charity. For details and/or making donations, please contact my Mom, Donna at **919-625-6142** or [madisongwalker@gmail.com](mailto:madisongwalker@gmail.com).

Thank you,

*Maddy*
